With the issues caused by the power outage that happened on September 2nd, we wanted to get the word out that in the event you need to reach the village after normal office hours or on the weekends, you can contact the village by calling their cell phone which is carried by the on duty employee. The phone number is 418-3272. It is a local call from the Hilbert area. You can also use this number during the normal working hours in the event that you call the clerk's office and there is no answer.
