Annual Spring Clean-Up

The Annual Spring Clean-Up for Village residents has been set for *Saturday, April 30th*. More information to follow as the event gets closer.

Hydrants and Snow

With the snowy season upon us, we are asking residents to keep hydrants clear of snow so that the connections can be accessed. Please keep about 6" to 8" of snow packed around the base of the hydrants. This will help to keep the hydrants from freezing and will allow quick access to the water in the event of a fire. Thank you!
