

RECYCLING NEWS UPDATE

PROGRAM UPDATE

We have our 2023 Spring Clean event scheduled for Saturday, May 6th, 2023 from 8 a.m. to 11 a.m. We will be running it in a similar fashion this year as it has been previously. Also enclosed is the 2023 dates for electronics recycling and hazardous waste events that are being held by the county. Please check the county's website at www.calumetrecycles.com for further details.

YARD WASTE

Please remember that we still have our compost site available for residents to drop off their brush and yard waste. The compost site is located at the north end of 3rd street. This program is for residents of the village only and is not open to anyone outside of the village even if they have a Hilbert mailing address. Please ensure that you are dumping the material on the correct pile. There is a multiple year process that the material goes through in order to become usable compost material. If there is material dumped on the incorrect pile, it can cause issues with this composting process. We also ask that you use care in ensuring that only the allowable material is brought to the site. This area is not a dumping site for other materials such as concrete, brick, garbage, etc. If you have concrete material that needs to be disposed of, it can be done at the wastewater treatment plant by appointment. We recycle the concrete there and use the recycled material as base in our projects. Please contact the clerk's office to make arrangements. Lastly, we will chip brush up to 4" in diameter. If you have brush that needs to be chipped, you can haul it to the compost site and place the brush on the brush pile. We can also chip on site for larger quantities. You must contact the clerk's office at 920-853-3241 to request the chipping at your property.

Compost and wood chips are available for village residents free of charge. If you know someone that is outside of the village that is interested in some material, they can purchase it for \$5.00 per yard. Non-residents can contact the clerk's office for more information on this.

The Recycling Committee

VILLAGE OF HILBERT RESIDENTS

SPRING CLEAN UP EVENT

Saturday, May 6th 8 AM – 11 AM

At the gravel area on 5th St. across from the Community Center!

The Village of Hilbert will be providing a heavy refuse drop off day to all Village residents for Heavy Refuse Items on **Saturday, May 6th** only. Village residents can drop off items listed on the acceptable list from 8 a.m. – 11a.m. *If non-acceptable items are brought to the site, you will be required to take them back with you.*

All residents are to follow the signs on how to enter/exit the site. Volunteers will be available to advise you on where to put the items but they WILL NOT unload or touch any of the items. This is the responsibility of the resident – so, if you need help with this process, please bring extra help with you.

Thank you for your cooperation!

ACCEPTABLE ITEMS

- Couches, chairs, tables, desks, sinks, toilets, or any other household furniture.
- Carpeting, pads from carpeting, and rugs. **MUST** be cut into 4' sections and tied securely.
- Bedsprings, mattresses, bed frames, swing sets, clothesline poles (with concrete removed from the poles), bicycles and parts.
- Non-hazardous household refuse that is properly bagged or bundled. All loose material must be bagged or bundled. **No loose material will be accepted.**
- Scrap Metals
- Freon Free Appliances (Washers/dryers, stoves, water heaters, dishwashers, etc)

NON-ACCEPTABLE ITEMS

- Computers & Electronics (telephones, laptops, CPU's, fax machines, printers, photocopiers, VCR's, DVD players, Blue Ray players, televisions, radios)
- Microwaves
- Appliances Containing Freon (even if removed)
- Fuel Powered Engines
- Large amounts of construction & remodeling debris (plaster, shingles, siding). These items require that you schedule to have a dumpster at your own expense.
- Yard Waste
- Liquids (such as leftover spray cans, chemicals, paints, varnishes, etc.)
- Fluorescent bulbs
- Batteries
- Tires
- Residential recycling items

**PROOF OF
RESIDENCY
MAY BE
REQUIRED**

**Please see the back of this page for
ELECTRONICS & APPLIANCES & HAZARDOUS WASTE RECYCLING EVENTS**
